Port Wakefield Firefighters Awarded Chief Officer's Commendation of Service Medals

(Captain Warren Miller, 1st Lieutenant Kathie Callaghan,
Region 2 Commander Steve Saloman, and Chief Officer Brett
Loughlin AFSM)

Congratulations to Lieutenant Kathie Callaghan and
Captain Warren Miller, who were both awarded a
Chief Officer's Commendation of Service medal in a
ceremony at CFS HQ on May 3rd.

Only five of these awards recognising "outstanding
service of a meritorious nature" were presented
statewide this year, so for two members of our local
CFS brigade to receive one is an incredible
achievement. Thank you to Kathie and Warren for
their service and making Port Wakefield proud!

HUMMOCKS WATCHMAN EAGLES ROUND THREE ROUND UP

Well ... if it's not going to rain for our farmers, it might as well be a beautiful sunny day to watch local footy & netball! And that's exactly what it was, when we hosted United at our seaside home ground. It was a very successful outing, with our A's & B's taking the wins, along with seven of our 10 netball games yesterday (A1, A3, A3, U17, U15, U13 & U9).

Some fast facts:

- Kicking 127-points and winning by 77, our A grade scored the highest points & largest winning margin, across all games & grades in the APFL yesterday.
- Great to see the B grade sharing the goals around, with nine individual goal kickers kicking the side's 12 goals.
- Looks like things are working out being back at the Eagles nest for the Kellys! Kelldog (Josh) had a fantastic game back in the B grade ruck to earn first best, while Syjourn was carving up over on the netball courts and was named A4 best player.
- It was a family affair in the A1 game with Hummocks' Tahneil McArdle going up against her sister, Brooke McArdle in the Long Plains team. Both girls even stood each other during the game at WA & WD! No wonder mum Tracy turned up in a neutral green top yesterday and stood between both benches ... no doubt cheering for both her girls!!
- While not for points, it was great to see the Senior Colts have a fantastic hit out yesterday. With United not fielding a senior colts team (and some of their players joining us for the year), we held an official 15-a-side scratch match within our own team and some fill-ins. Mick Cic coached the Eagles team while Luke Walker coached United. It was great to see the comradery between the two clubs, and we're sure our U17 Longies boys enjoyed wearing the black & gold guernsey again for the day!
- After three rounds, our A grade are sitting 2nd, B's at 4th, senior colts at 4th and junior colts at 6th.
- Congratulations to Flynn Young on his amazing A grade debut, kicking 5 goals and named in the best players. Along with the whole club and your family, we're pretty sure grandparents & club stalwarts Marg & Dean would've been super proud of you yesterday.
- Congratulations to Cody Redpath and Adam Scott who played their 50th games, and nice that both senior sides got over the line for the boys in their milestone games!

Port Wakefield CFS News

With school holidays over, CFS training is back in full swing.

On April 29th, the brigade honed their road crash rescue skills with the help and support of John and the team from Wrecking Plus More.

May 6th was a hoses and pumps training session, where Iain Payne taught new recruits how to properly execute the layout for a house fire.

Mum, the Greatest Gift You Have Ever Given Me Is Your Love

I've changed a lot throughout my life, always learning a little more about myself and the world around me.

The challenges were interesting and sometimes overwhelming, but I always believed in myself enough to get me through the hard times.

One of the things that I've come to know now, after all those changes, is that I never once doubted whether you'd be there for me if I needed you.

And there were many times when I did need you and you were there.

Mum, when I was headstrong and defiant, you watched me strive for my independence, knowing life's lessons are best learned through personal experience. When I was self-centred, you watched me discover on my own a broader outlook on life. I came to understand life on my own terms and to appreciate you even more by the examples you've set and the lifestyle you've lived. Having your unconditional love in my life has made me feel secure and loved, and that is the greatest gift any parent could give.

Yesterday's News

The Woorora Producer May 9th, 1918

PORT WAKEFIELD--On Saturday afternoon Harry Mardon, son of Mr E. Mardon, whilst attempting to mount a bicycle, was thrown, resulting in his right arm being fractured in two places. Under the care of Dr Gribble the young sufferer is progressing favourably. The St Alban's Sunday-school picnic was held at Wild Dog Hill yesterday and was well attended, resulting in an enjoyable outing for the children, teachers, and parents.

On account of the withdrawal of the street lamps the town is placed in darkness, and as the dark places of the earth are full of the wickedness of men, women and children are said to frequently receive frights through suddenly colliding with strange persons, apparently wandering about dark street corners and under the protecting trees along the footpaths. The children practising at the Methodist Church for their anniversary have to be escorted to and fro by able-bodied relatives as a guard against these strangers, whom, it is understood, the police are on the watch for but have to contend with an Egyptian darkness in their efforts. The salt works have made more forward movements by having a new weighbridge constructed near the oval and their factories all brilliantly lit up by the electric light.
